

Principals' Report

Navigating with Purpose: A Pathway to the Future

Menifee Central Instruction/Monitoring

- 55 students in grades K-5 signed up for our 21st Century Summer School Program.
- Teachers are using i-Ready instructional resources to provide targeted reading and math lessons that meet students' individual needs. Lessons are designed to be engaging and aligned with academic goals.
- Students are setting personal academic and behavior goals and are actively monitoring their growth throughout the summer program.
- Students receive SEL lessons twice a week from Juniper Health to support emotional well-being and positive behavior.
- Students participate in hands-on STEM activities that promote critical thinking, creativity, and collaboration.

Congratulations to our Kindergarten & 7th Grade Students!

MCHS Class of 2025

Our seniors had an unforgettable day filled with tradition and celebration—senior breakfast, to memorable walkthroughs at Central and downtown Fr finally, capping it all off with a packed house at graduation.

Menifee County 8th Grade Academy Promotion

Congratulations to our 8th grade students on their promotion to high school!

We are so proud of the way they embraced the transition to a new building, new routines, and new expectations this past year. We look forward to watching them continue to grow and succeed at the high school!

Transition Ready Seniors

Postsecondary Readiness is the attainment of the necessary knowledge, skills, and dispositions for a student to successfully transition to the next level of his or her educational career.

The Postsecondary Readiness Indicator is one of six state indicators included in Kentucky's Accountability System.

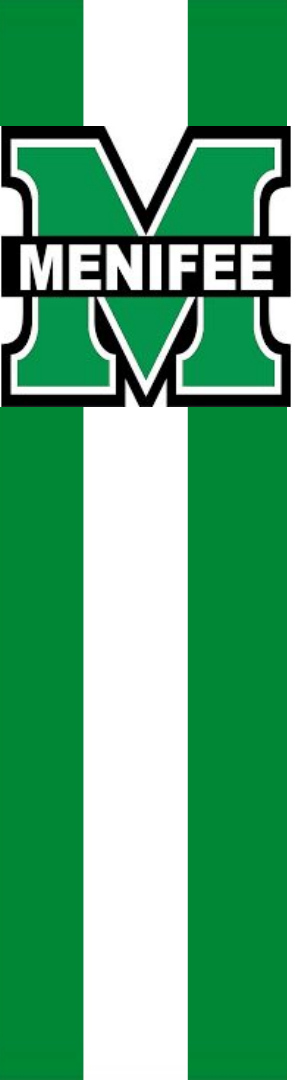

We are so proud that **94.6%** of our seniors graduated academic or career ready!!

Menifee County FFA Members Dominate 96th Kentucky FFA State Convention

52 members traveled to the Kentucky FFA State Convention on June 9th at the Lexington Central Bank Center to compete in a variety of state level events, gain exposure to opportunities in agriculture, and to improve their own leadership skills.

Menifee County FFA Members Dominate 96th Kentucky FFA State Convention

Jameson Williams retired as the 2024-2025 State FFA Sentinel.

Aiden Manley was elected to serve as the 2025-2026 State FFA President. He is the first student from Menifee County to serve as State FFA President since Jerry Ringo in 1954-1955.

This is the first time since 1995-1995 and 1995-1996 that Menifee County FFA has had back to back students serve as state FFA officers.

Menifee County FFA Members Dominate 96th Kentucky FFA State Convention

Menifee County FFA competed in the Kentucky FFA Chapters of Excellence Contest and placed in all three areas of the contest. This contest recognizes excellence in FFA programming that aligns to the National Quality Program Indicators. We will compete in the National Chapter Award in October.

Growing Leaders Division- 3rd Place

Building Communities Division- State Winner

Strengthening Agriculture Division- State Winner

Menifee County FFA Members Dominate 96th Kentucky FFA State Convention

The Marketing Plan CDE team consisted of Colton Rudd, Karina Martinez, and Shawn Wells. The team won the state contest, and will compete at the national level in October. The event involved creating a Marketing Plan for a product with a local agribusiness. The team's plan revolved around marketing cut flowers from Branches & Blooms in Frenchburg, Kentucky. The Stamm Family own and operate the farm, and have been a great partner in preparing for the contest. This is the second year in a row that Menifee County FFA has won this Career Development Event.

Meniffee County FFA Members Dominate 96th Kentucky FFA State Convention

Aiden Manley was named the state winner of the Prepared Public Speaking LDE. He is the first FFA member to win a state speaking contest since Jerry Ringo won the Prepared Public Speaking contest in the 1950s. His speech outlined the need for more male mentors in agricultural education, the power of mentorship, and advocated for more males to enter the profession of agricultural education. He will compete in the national contest in October.

Menifee County FFA Members Dominate 96th Kentucky FFA State Convention

The following students were named state winner(s) in the Kentucky FFA Agriscience Fair contest. Students designed and completed a research project on an agricultural topic of their choice as part of their classroom instruction. Menifee County FFA submitted a record number of 29 projects with 22 projects placing in the top three in the state contest. This is a chapter record for submissions, top placings, and state winners.

Marlee Patrick & Ricci Claypool- Environmental Science Systems- Division II- State Winner

Lexi Smallwood- Food Products & Processing Systems- Division I- State Winner

Eli Yates & Jacob Smith- Food Products & Processing Systems- Division VI- State Winner
