RE: Behavior Coach

Bullitt Central would like to utilize Sec. 6 money to pay the remaining 3% of the Behavior Coach's salary not covered by the Title 1 funds. Bullitt Central has employed a Behavior Coach for the last 4 years. This position has been instrumental in working with our staff and reducing behaviors in our school and providing support for teachers. Last year alone our Behavior coach met students over 1200 times. With us losing an Assistant Principal through staff reductions this position will be more important now than ever in mitigating behaviors that could escalate to the level of a meeting with the admin.

The estimated amount of \$3,389.47 has been approved by our SBDM council.

Joe Pat Lee, Principal  
Bullitt Central High School
