I understand that, in submitting these forms on our behalf, AdTec Administrative and Technical Consulting Inc. is making certifications for Christian County School District. By signing this Letter of Agency, I allow AdTec to make the following certifications at the appropriate time:

- a) I certify that the entities listed in this application are eligible for support because they are schools under the statutory definitions of elementary and secondary schools found in the No Child Left Behind Act of 2001, 20 U.S.C. §§ 7801(18) and (38), that do not operate as for-profit businesses and do not have endowments exceeding \$50 million.
- b) I certify that the entities listed in this application are eligible for support because they are libraries or library consortia eligible for assistance from a State library administrative agency under the Library Services and Technology Act of 1996 that do not operate as for-profit businesses and whose budgets are completely separate from any schools, including, but not limited to, elementary, secondary schools, colleges, or universities.
- c) I certify that the entity I represent or the entities listed on this application have secured access, separately or through this program, to all of the resources, including computers, training, software, internal connections, maintenance, and electrical capacity, necessary to use the services purchased effectively. I recognize that some of the aforementioned resources are not eligible for support. I certify that the entities I represent or the entities listed on this application have secured access to all of the resources to pay the discounted charges for eligible services from funds to which access has been secured in the current funding year. I certify that the Billed Entity will pay the non-discount portion of the cost of the goods and services to the service provider(s).
- d) For the FCC Form 471 certification, I certify an FCC Form 470 was posted and that any related RFP was made available for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted were carefully considered and the most cost-

effective service offering was selected, with price being the primary factor considered, and is the most cost-effective means of meeting educational needs and technology goals.

- e) I certify that the entity responsible for selecting the service provider(s) has reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that the entity or entities listed on this application have complied with them.
- f) I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.500 and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.513. Additionally, I certify that the entity or entities listed on this application have not received anything of value or a promise of anything of value, as prohibited by the Commission's rules at 47 C.F.R. § 54.503(d), other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection with this request for services.
- g) I certify that I and the entity(ies) I represent have complied with all program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments. There are signed contracts or other legally binding agreements covering all of the services listed on this FCC Form 471 except for those services provided under non-contracted tariffed or month-to-month arrangements. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.
- h) I acknowledge that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of benefits from those services.
- i) I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I acknowledge that I may be audited pursuant to participation in the schools and libraries program. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the application for, receipt of, and delivery of services receiving schools and libraries discounts, and that if audited, I will make such records available to USAC.
- j) I certify that I am authorized to order telecommunications and other supported services for the eligible entity(ies) listed on this application. I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this application, that I have examined this request, that all of the information on this form is true and correct to the best of my knowledge, that the entities that are receiving discounts pursuant to this application have complied with the terms, conditions and purposes of the program, that no kickbacks were paid to anyone and that false statements on this form can be punished by fine or forfeiture under the Communications Act, 47

U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001 and civil violations of the False Claims Act.

- k) I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on this application, or any person associated in any way with my entity and/or the entities listed on this application, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the schools and libraries support mechanism.
- l) I certify that if any of the Funding Requests on the FCC Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504.
- m) I certify that the services listed on the FCC Form 486 have been, are planned to be, or are being provided to all or some of the eligible entities identified in the FCC Form 471 application(s) cited above. I certify that there are signed contracts covering all of the services listed on the FCC Form 486 except for those services provided under tariff or on a month-to-month basis. The E-rate program considers a Funding Year July 1 through June 30 and the work associated with any given funding year will be performed months before the funding year begins through several months after the funding year ends. In this contract, when a specific funding year is stated, it is associated with applying for E-rate funding for eligible expenses incurred during July 1 through June 30, and may include extended dates associated with the Funding Year as E-rate extensions and rules apply. This agreement further grants Contractor with authority to represent the Client with USAC by responding to all inquiries concerning forms filed. Client will inform Contractor of the services it wishes to secure in the filing period via e-mail or by other agreed means.

Client shall provide via e-mail or by other agreed means, information and other data required to complete the filings to recover any funds that the Client is entitled to receive. In addition, Client shall sign and return, in a timely manner, any necessary paperwork, and communicate with the Contractor any contemplated changes or additions in service. Client shall provide to Contractor a copy of any correspondence received from USAC. Should the client choose the BEAR method of reimbursement, Contractor will file BEAR forms. Contractor cannot file the BEAR forms if the Client does not provide evidence of bills in a timely manner.

Relative to the FCC Form 470, the Client shall keep a log of vendor responses to the 470 and any data provided to the inquiring vendor. Client shall keep a record of any data related to the vendor selection including how selection was made. Materials from unsuccessful vendors shall also be retained for audit purposes. Any such materials received by Contractor shall be forwarded to the Client. Client may also send all materials associated with the FCC Form 470 to AdTec for electronic storage.

Relative to the filing of the FCC Form 471, for any service to be purchased which is applicable to E-rate discounts, Client shall provide the name of the vendor selected to provide that service, as well as the projected cost of such service and an address or telephone number for that service provider. Client shall declare these items on or before **March 5, 2026** if 28 days has elapsed after Contractor has filed FCC Form 470.

This agreement for services also includes discount rate optimization, consultation and direction to ensure program compliance with FCC E-rate rules and regulations, E-rate timeline organization, Management of the USAC portal, and electronic E-rate document repository (E-rate Program rules require retention for 10 years after the last day of service).

2. PRODUCT STANDARDS. Contractor shall collect the required data, complete, and file the necessary forms to provide the greatest possible success for the Client. Contractor shall further utilize its best efforts to know and understand any amendments to the filing process, and to advise the Client of any new or additional possible discounts on services.

3. TITLE. All forms, filings, support documents, etc., shall be held by the Contractor in order to manage the process, but will remain the property of the Client. Contractor shall deliver said materials to the Client if and when required by the Client. Material shall be retained for ten (10) years after the last day of service for audit purposes.

4. PAYMENT. Contractor shall file, at Client's option, for Category One and/or Category Two services on behalf of Client. Payment shall be made by Client to Contractor upon receipt of Contractor's invoice. An invoice shall be issued in two phases.

The FCC's E-rate Modernization Order instructs the E-rate Program to increase the scope and number of E-rate Audits. E-rate rules allow audits to be conducted for 10 years after the service end date. Our fees include 5 hours of audit representation. Any additional hours necessary to complete an audit will incur a charge of \$120/hour.

The Fee Schedule for Category One Services is included on Page 2 of the Agreement.

An Addendum to the Agreement and an additional fee is required for the filing of Category Two Services, Emergency Connectivity Fund Services, and any additional funding administered through the E-rate Program. Please contact your AdTec Consultant for the Addendum and Fee Structure.

Self-Provisioned Fiber and services with special construction costs (i.e. fiber build projects) will incur a minimum additional fee of \$7,500.

5. DELIVERY. Time is of the essence in the performance of this Contract. Filing shall comply with the schedule established by USAC for FY2026. The FCC Forms 486 and 472 (BEAR) or requests for discounted bills, FCC Form 474, for FY2026 will be filed upon receipt of the funding commitment decision letter (FCDL) from USAC and satisfactory installation of all systems and services, but not prior to **July 1, 2026**. *(Exception: Under existing regulations, the FCC Form 486 may be filed early under certain circumstances.)*

6. WARRANTIES. Contractor warrants to Client that the filing will conform to the requirements of filing by USAC.

7. TERMINATION. It is agreed that in case of a material breach (violation) by either party of any of the provisions contained in this Contract, the other party shall have the right to terminate this Contract at its option. Contractor shall be paid for any partial filing made on behalf of Client. The Contract is for a specified period to file for E-rate discounts in FY2026. Contractor and Client may wish to extend this contract into the next funding cycle, but such extension will be noted in writing, with the extension under the same or amended terms as agreed to by the parties.

8. FORCE MAJEURE. If performance of this Contract, or any obligation under this Contract, is prevented, restricted, or interfered with by causes beyond either party's reasonable control ("Force Majeure"), and if the party unable to carry out its obligations gives the other party prompt written notice of such event, then the obligations of the party invoking this provision shall be suspended to the extent necessary by such event. The term "Force Majeure" shall include, without limitation, acts of God, fire, explosion, vandalism, storm or other similar occurrence, orders or acts of military or civil authority, or by national emergencies, insurrections, riots, and wars.

The excused party shall use reasonable efforts under the circumstances to avoid or remove such causes of non-performance and shall proceed to perform with reasonable dispatch whenever such causes are removed or ceased.

9. CONFIDENTIALITY. Both parties acknowledge that during the course of this Contract, each may obtain confidential information regarding the other party's business. To the extent permitted by law, both parties agree to treat all such information and the terms of this Contract as confidential, and to take all reasonable precautions against disclosure of such information to unauthorized third parties during and after the term of this Contract. Information will be released to USAC for filing purposes, and on specified occasions, certain necessary information will be released to qualified vendors in order to obtain the services the Client is seeking where the FCC Form 470 is filed. Upon request by an owner, all documents relating to the confidential information will be returned to such owner.

10. ASSIGNMENT. It is agreed by the parties that there will be no assignment or transfer of this Contract, nor any interest in this Contract.

11. ENTIRE CONTRACT. This Contract contains the entire agreement of the parties, and there are no other promises or conditions in any other agreement whether oral or written. This Contract supersedes any prior written or oral agreements between the parties.

12. AMENDMENT. This Contract may be modified or amended if the amendment is made in writing and is signed by both parties.

13. SEVERABILITY. If any provision of this Contract shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Contract is invalid or unenforceable, but that by limiting such provision, it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

14. WAIVER OF CONTRACTUAL RIGHT. The failure of either party to enforce any provision of this Contract shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Contract.

15. LIABILITY. In the event of an error or omission on the part of the Contractor, the Contractor shall immediately work to remedy the error or omission. In the event said error or omission cannot be corrected to the satisfaction of the Client, and the Contractor is found to be liable for the error or omission, the limit of any determined liability shall not exceed the fee set out in this agreement and/or paid by the Client.

This timeline of E-rate tasks is not all inclusive.

Review of E-Rate Competitive Bidding and Application Process

A mandatory E-Rate rule is to require a competitive bidding process to obtain eligible E-rate services. The required competitive bidding process begins when the FCC Form 470 is filed.

The applicant (school/library) must ensure that the competitive bidding process is open and fair:

- Applicant must wait 28 days after the Form 470 is posted before selecting a service provider.
- All bidders must be treated the same.
- No bidder can have advance knowledge of the project information.
- There are no secrets in the process - such as information shared with one bidder but not with others - and that all bidders know what is required of them.
- With limited exceptions, service providers and potential service providers cannot give gifts to applicants.
- In addition, the value of free services (e.g., price reductions, promotional offers, free products) must generally be deducted from the pre-discount cost of funding requests.
- After the competitive bidding process is closed, the applicant must evaluate the bids received and choose the bid that is most cost-effective. The price of the eligible products and services must be the primary factor in the evaluation, but does not have to be the sole factor. If the price is 2-3 times more than other bids, it will not be considered cost-effective and therefore denied E-Rate funding. Other relevant evaluation factors may include: prior experience including past performance; in-state preference, compliance with Form 470 posting, and references, etc. (See bidding matrix evaluation sample: http://www.usac.org/_res/documents/sl/pdf/samples/Bid-Evaluation-Matrix.pdf List every bid on the evaluation matrix, and only disqualify a bid if you list out the disqualification factors on the RFP.
- Retain all E-Rate documents for 10 years.

No Bids Received?

If you do not receive any bids in response to a FCC Form 470/RFP, you can solicit bids. The FCC suggests that you memorialize this fact with an email to yourself or a memo to the file.

One Bid Received?

If you receive only one bid, the FCC suggests that you memorialize this fact with an email to yourself or a memo to the file. This will help to document that you did not just keep only the winning bid.

My signature indicates the FCC's competitive bidding process and application process has been reviewed with me.
