Superintendent Retirement Statement

After nearly a decade of service to Menifee County Schools, this will be my final official meeting as Superintendent of the Menifee County School District. I will be stepping away from all roles in the district effective December 31, 2025.

My journey with this district began in 2015, when I was appointed by the Kentucky Department of Education as State Manager for Menifee County, then a state-managed district. In July 2019, I was honored to be named Superintendent. Since that time, it has been the privilege of a lifetime to serve our students, staff, families, and community in this role.

Together, we've made remarkable progress and achieved significant milestones. Highlights include the construction of a new Board of Education building, the opening of the new Menifee Central K-8 school, and the creation of a modern athletic complex with facilities for soccer and track. Through strong collaboration with the Menifee County Fiscal Court, we are also in the final phases of having new baseball and softball fields that will serve our students and our youth leagues. These fields will be completed for the 2026 softball and baseball seasons.

Our shared commitment to academic excellence has driven the implementation of innovative educational programs and elevated our district's reputation across the state. Members of our leadership team have received statewide recognition, including Kentucky Administrator of the Year honors. I am especially proud of establishing a district police force, which ensures that every school now has a dedicated School Resource Officer — a vital step in prioritizing student safety.

These accomplishments would not have been possible without the dedication and passion of our educators, staff, school board members, families, and community partners. I am profoundly grateful to have worked alongside such outstanding individuals.

As I look ahead to retirement, I am excited to spend more time babysitting and traveling with my wife, Jennifer, and our precious granddaughter, Jozee. I look forward to watching our children — Ally, Caleb, and his wife, Ellie — continue to chase their dreams and grow into the incredible people they are becoming. And, knowing myself, I'm also aware I'll probably need to find a few new things to keep me busy... because let's be honest — I may not be very good at retirement.

Thank you for your trust, your support, and your unwavering commitment to the students of Menifee County. It has truly been an honor to serve.

With sincere gratitude,

Timothy D. Spencer,
Superintendent Menifee County Schools
