Administrated by: Scholastic Insurance, Licensed TPA

Underwritten by: Reliance Standard Life A+

Attention: Newport Independent Schools Principals, Nurses, Office Staff, Athletic Directors, Coaches, and Athletic Trainers

Subject: Student Accident Policy Reminder and Claims Process

As a reminder, Newport Independent Schools has a Student Accident policy in place that helps families with the financial burden parents might be left with when their child is injured at school. Our policy covers all students grades Pk-12 during the school day and all student-athletes grades while practicing for and competing in school sponsored, school scheduled and school supervised TSSAA sanctioned sports and activities

Claims Process

To simplify the process and eliminate the need to have a claims form filled out by staff, we ask that **Student Accident Reports** be forwarded to the claims administrator, KidGuard Insurance, at contact@kidguardinsurance.com. KidGuard will promptly send a claims packet to the parents and get a claim start. Thank you for your attention to this important update

Sincerely,

Newport Independent Schools Administration & Assured Partners
