**Superintendent Prior Approval:** No

**Recommendation/Motion:** Approve contract with Healthfirst Bluegrass for a full time RN (school nurse) for Henry Clay High School.

**Background/Rationale:** FCPS recently issued an RFP for nursing services that excluded Henry Clay High School. The exclusion was deliberate, as the new facility will include a clinic that will be run by Healthfirst Bluegrass, placing a school nurse from Healthfirst will enable Healthfirst to begin developing relationships with students and the community to ensure the clinic will be a success. Healthfirst did submit a proposal for the RFP that included Henry Clay, as well as Crawford and Tates Creek Middle Schools. It was decided that only the Henry Clay portion would be accepted. The district will contract with Healthfirst for a school nurse until the opening of the new facility's clinic when the agreement will revert to the MOA between Healthfirst and the District, pending review of contract by FCPS General Counsel.
