Superintendent Prior Approval: No

Recommendation/Motion: Authorize the Superintendent to execute a contract EBCO, Inc. in the amount of \$49,800.00 (Forty-nine Thousand, Eight Hundred Dollars) to perform the third-party Testing, Balancing, Lubrication and Adjustments (TAB) services outlined below, subject to review/approval of the FCPS General Counsel.

Background/Rationale: Similar to building commissioning, Testing, Balancing, Lubrication and Adjustments (TAB) is also part of the building code requirements of the 2012 International Energy Conservation Code (IECC) and the 90.1-2010 American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE). It is a required for the owner to hire a third party to do this in order to ensure that systems are installed properly and are performing at the optimal and most energy-efficient levels. If issues are found during the testing, then the TAB contractor works with the other contractors to ensure components meet the operational objectives required.

Request for Proposal #34-25 was sent to four (4) companies and one (1) proposal was received for this project. Based on the design team's analysis of the proposals received, EBCO Inc. appears to have met all of the project scope of work criteria and has submitted an acceptable and cost-efficient proposal. The total anticipated value of the services (\$49,800.00) needed for the project requires the approval of the Board.
