Emergency Personnel District Walkthroughs

- Marion County Emergency Personnel will tour each school building August 4-8, 2025.
- Not only do they tour the building, but also meet with each principal and have a discussion of emergency protocols for each school.

Emergency Management Roundtable Meeting

- July 21, 2025 - MCPS will host an Emergency Management Roundtable Meeting
- Invited organizations include local emergency systems such as Lebanon Police, Marion County Sheriff, EMS, Fire Department, KY Center for Safe Schools and MCPS Leadership Team.
- Opportunity for MCPS Leadership Team to work with local first responders to discuss emergency management plans and to review a variety of scenarios to discuss how, collectively, we would respond.
- Scenarios may include a weather emergency to an accident, an intruder to a fire in the kitchen, etc.

Ky Center for Safe Schools – Safe Schools Assessment

- Marion County Public Schools will receive a Safe Schools Assessment at Calvary Elementary School and Glasscock Elementary School on November 5, 2025.
- The Kentucky Center for School Safety completes the Safe Schools Assessment to evaluate the school climate and culture related to safety. Surveys and interviews will be completed by a variety of stakeholders and then a comprehensive report with recommendations will be provided to the school and district.
