

MARION COUNTY
Public Schools

Superintendent's Report
Thursday, July 10

Facilities Update

Work is underway to install new permanent bleachers at the MCHS soccer field, the GES basketball court has been resurfaced, and the practice soccer field is taking shape.

Student Opportunities

Glasscock Elementary recently held its *Camp Invention*.

Community Success

From CES Principal Paul Terrell:

The Marion County 12u softball team and the Marion County 8u baseball team won their Little League district championships.

Summer Feeding

The School Nutrition department held another bulk meal distribution yesterday.

In June, over 20,400 meals were distributed.

Staff Development

Teachers Erin Benton and Sterling Newton completed graduate mathematics courses during the spring so that they could teach dual-credit courses at MCHS.

Staff Development

LMS Social Studies Teacher Kara Clark and Instructional Coach Kacey Huffaker spent a week in Boston, MA and surrounding areas as part of the Wilderness Education Project.

They visited historical sites, attended lectures, and participated in sessions focused on teaching strategies and activities.

Assignment of Funds

Fiscal Year '25 balance of \$980,000 assigned to Fiscal Year '26
