

**EQUIPMENT ADDENDUM
DATASEAM PARTICIPATING PARTNER AGREEMENT
Menifee County Public Schools.
July 1, 2025**

This Addendum is executed by mutual agreement of the Parties to the Dataseam Participating Partner Agreement between Dataseam and Menifee County Public Schools.

WHEREAS, the School District has submitted a workstation placement narrative (attached) and has been approved to receive additional computer workstations. The School District understands and agrees these computer workstations are provided under the same terms and conditions described in the Dataseam Participating Partner Agreement and Dataseam Registered Apprenticeship Participating Partner Agreement.

District agrees to:

1. Caleb Perkins attendance, completion and participation in examination, proof provided, for training for the Apple operating system, as part of US Department of Labor Registered Apprenticeship for Information Technology, at district expense, by June 30, 2025. (Cohort 3 Requirement Waived)
2. Menifee County Public Schools employment, mentoring, by district, its designates, at the district expense of Caleb Perkins, as part of Dataseam United States Department of Labor Registered Apprenticeship for Information Technology.
3. Carter Wells attendance, completion and participation in examination, proof provided, for training for the Apple operating system, as part of US Department of Labor Registered Apprenticeship for Information Technology, at district expense, by June 30, 2025. (Cohort 3 Requirement Waived)
4. Menifee County Public Schools employment, mentoring, by district, its designates, at the district expense of Carter Welss, as part of Dataseam United States Department of Labor Registered Apprenticeship for Information Technology.
5. District is responsible for acquisition and installation of any software not provided by Apple with the system at the time of delivery, this includes any Instructional or System/Device Management software or licenses. Please review Apple's current software bundle at: <https://support.apple.com/en-bw/guide/mac-help/mchl110b00b7/mac>

MC ____ Item 3 to be initialed by District Technology Representative / Designate.

6. Unless provided prior notice, workstations received per addendum provisioned by district and operational for research and student use within 30 days of receipt.

MC ____ Item 4 to be initialed by District Technology Representative / Designate.

Dataseam agrees to:

1. Provide (5) workstations each in recognition of above Registered Apprentice(s) attendance, completion and participation in examination, proof provided, for industry-standard certification for the Apple operating system, as part of US Department of Labor Registered Apprenticeship for Information Technology, at district expense, by June 30, 2025. (Provided absent waived requirement)
2. Provide (10) workstations each in recognition of Menifee County Public Schools employment, mentoring, by district, its designates, at district expense of above Registered Apprentices, as part of US Department of Labor Registered Apprenticeship for Information Technology.

The provided award earned by the district, funded by (United States Department of Labor), all completing Registered Apprentices, is valued at (\$39,870.00)

Pursuant to the DataSeam District Participating Partner Agreement, workstations provided are subject to a 3-year term of service. This includes self-warranty by DataSeam beyond the initial manufacturer's warranty ("AppleCare") for similar coverage during the term of service, and excluding theft, damage, loss not covered otherwise by warranty.

This addendum extends the term of service for all workstations previously provided by Dataseam to the term of service for workstations provided under the present agreement, to the extent previous workstation specifications are viable for both research and instruction needs.

Addendum valid for 30 days from (July 1, 2025).

Obligations in this document must be completed to remain in good standing in the Dataseam program. Specific awards may reflect additional district involvement with Dataseam, state-funding conditions, or long-term district plans not outlined in this document. Workstations received per addendum will access network from a dedicated network access. Wireless network connection does not meet Dataseam research demands. Workstations received per addendum must be provisioned by the district and operational for research and student use within 30 days of receipt.

WORKSTATION PLACEMENT NARRATIVE

DATASEAM Research and Workforce Development Computing.

Updated 5.13.23

DISTRICT: Meniffee

DISTRICT CONTACT: Jodi Blackburn / Mark Clemons

CONTACT EMAIL / PHONE: 859-585-3126 / 859-585-9322

PLACING: How many devices are you placing? 30 Meniffee Central/Meniffee Highschool

REPLACING What: What devices are you replacing? Outdated Chromebox's

GENERAL USE Narrative: The addition of iMac workstations to our Meniffee Central and Highschool facilities marks a significant enhancement to student learning. These machines are designed to elevate/enhance digital literacy, information literacy and online research techniques.

SOFTWARE Installed: (If applicable). I-Ready, Go Math and Clever, Office, Goguardian agent

LAB/CLASSROOM IMPROVEMENTS (If applicable). Implemented Juniper AP's across all facilities in the Meniffee district. Completed sports complex classroom for the Meniffee Co Academy students.

ANTICIPATED Needs, next 12 Months: Key technology initiatives for the district include: new antivirus software deployment, relocation of the helpdesk, replacement of commercial Toshiba printers, and the development and production rollout of the Meniffee school app. Additionally, we are integrating Destiny with single sign-on for students/teachers, upgrading network switches and implementing new filtering and monitoring software for teachers. Estimate purchasing 200 Chromebooks and additional laptops to replace outdated devices.

TECHNOLOGY GAP: Purchase new Chromebooks and laptops to replace outdated devices.

MATCHING: If workstation matching beneficial, how much would your district need? 90 Macbooks
