- ...in order to improve the quality of life for all.

## Our VALUES

1. Strong work ethic: reliability, positive focus, determination; from staff, parents, students, & community
2. Foundation for successful transition for a solid future
3. Self-worth: everyone is valued
4. Compassion
5. Parent Involvement
6. Attendance
7. School Pride

## Our CORE BELIEFS

1. A good education will pull kids out of poverty and make an impact in our community.
2. Teachers and administrators should passionately teach fundamentals while instilling morals and ethics.
3. Every Menifee County student can learn at higher levels.
4. Personalized education to meet the learning needs of students.

## Our GOALS

1. By 2025 2026, all students will graduate prepared for transitions on a pathway to a successful future in academia, military or career.
2. By 2025 2026, the attendance rate will increase to 94%
3. By 2025-2026, the district will meet the Kentucky Department of Education's measurements of interim progress for proficiency in reading and math. Menifee County Schools will design and implement a local accountability system by spring 2028 that reflects our community's priorities for student readiness. The system will support high-quality, standards-based instruction and provide clear, timely progress updates to families and stakeholders.
4. By June 30, 2027, update and implement a district-wide communication and engagement plan that increases clear lines of communication, fosters trust, and includes feedback from all stakeholders

The Menifee County Board of Education is dedicated to ensuring all students will strive to meet the key characteristics of a Menifee Learner: being a courageous advocate for self and community, a productive collaborator, an effective communicator, an empowered learner, and an innovative thinker.
