

The Cardinal Way A PATHWAY TO PASSION & PURPOSE

ANCHORED IN ACADEMICS

The primary purpose of school is to provide students with academic content and technical skills. All other experiences will grow from this foundation.

CONNECTED TO COMMUNITY

Students will have opportunities to belong to classrooms, clubs, teams, and activities where they will develop the skills required for productive citizenship.

MOTIVATED BY MINDSETS

School will be an environment that cultivates positive student attitudes such as responsibility and personal best, which lead to success in school and life.

INSPIRED TO INNOVATE

Students will use creativity and problem solving to design solutions to real world problems.

PREPARED FOR PRACTICAL LIVING

Students will develop the social and life skills required to be a successful adult.
