- We have had the extreme pleasure of partnering with DHS to host a variety of family outreach programs throughout this summer with DISTRICT students and their families:
 - ***Greendevil Parties in the Park*** – Hosted three total Parties in the Park events around the city parks of Dayton where we connected with our families. We plan to collaborate with the city on their rescheduled community bash on July 26th!
 - ***Greendevil Ice Cream Van*** – During each summer month, we had the opportunity to go out INTO the community to deliver ice creams to our students, their families and community helpers.
