**ITINERARY/SAFETY:** Driver Fatigue is the foremost safety problem with all commercial vehicles. **WE WILL NOT compromise your safety by violating the legal driving limits which are as follows:**

1. 15 consecutive hours on duty in any 24 hour period
2. Of this 15 hours, a maximum of 10 hours may be actual driving hours
3. After 15 hours on duty, the driver must have 9 consecutive hours off duty before resuming service.

To avoid any interruption, please forward a detailed itinerary with final payment. If your itinerary has excess driving requirements PRE-ARRANGMENTS may be made for additional drivers.

**RESPONSIBILITIES:** It is understood and agreed that performance of the service detailed is contingent upon our ability to perform the service and provide the equipment. Additionally, if an act of God, public enemies, authority of law, riots, strikes, accidents, breakdown, bad conditions of the road, snow storms, and other conditions beyond its control, make it in the opinion of the carrier, inadvisable to operate charter either from the "place of origin" or any point en-route, Croswell shall not be liable therefore. In addition, Croswell does not guarantee to arrive at or depart from any point a specified time, but will endeavor to maintain the schedule submitted by the Chartering Party.

**EQUIPMENT:** Equipment furnished by Croswell is thoroughly inspected before being assigned to the charter service to insure uninterrupted service. If for some reason beyond the control of the company, a mechanical failure of any kind makes necessary the replacement of a motorcoach originally assigned to the charter service, the replacement motorcoach may be a different type. In no case shall Croswell be liable for consequential damages resulting from mechanical failure or delay. Also, Croswell will not refund for mechanical failure of standard amenities, such as audio/video system. Croswell reserves the right to lease equipment from other companies in order to fulfill this charter agreement.

**DAMAGE TO EQUIPMENT:** All cost of repairing damage to buses resulting from acts of member of the Chartering Party shall be charged to the Chartering Party and is payable as soon as the cost is determined. Any charge resulting in reduction of charges will be subtracted from the estimated cost and will be refunded to the Charter Party after completion of the trip. In addition, Croswell reserves the right to add surcharges when/if economic conditions create significant increases in the cost of doing business. This includes but is not limited to fuel prices.

**CANCELLATION POLICY:** Charter is subject to cancellation if payments are not received when due.

**GOVERNING LAWS:** The contract shall be governed by and interpreted in accordance with the laws of the State of Ohio, and any action or other legal proceeding of any kind, based upon or in any way related to the subject matter of this contract shall be brought exclusively in an appropriate court of competent jurisdiction (state or federal) located in Clermont County, OH (if the action is brought in state court) or in the Southern District of Ohio (if the action is brought in Federal Court.)
