

**July 2021**  
**Director of Student Services**  
**Board Report**

**Custodial/Maintenance**

- Summer cleaning for both schools is scheduled to be completed by August 1.
- The Staff at LES and DHS have worked very hard to ensure classrooms are ready for students.
- Our maintenance staff has completed many needed summer upgrades to our HVAC/plumbing and electrical systems.

**Project One**

- Owner meetings will now begin weekly to address the completion of the project with our timelines.
- We have acquired temporary occupancy for our teams to use the new field turf. Teams are now utilizing Greendevil Stadium for practices.
- Staff trained for proper maintenance of the field turf by Motz.
- Brick work on FH nearly completed.
- Playground surface to be poured.
- Permanent electric/sound wiring to be installed.
- All framing complete inside of FH wall to begin.
- The demo of Greendevil complete and new sidewalks are poured.
- The final roof panels are to be installed.
- Doors on FH to be installed and storefront walls.

**School Safety**

- School leaders met with the Police Chief, Fire Chief, Campbell Co Emergency Management and State School Safety personnel to review our Emergency Plans.
- Project one Emergency plans reviewed with Fir and Police.

**Transportation**

- John Campbell completed Driver Trainer's courses in Frankfort. He will now be able to train individuals who would like to get their CDL.
- An 8-hour update for Bus Drivers is scheduled for Friday, August 1<sup>st</sup>.
- Our new bus has been delivered, inspected and registered into our fleet.
- A new Scheduling platform implemented for trip requests and scheduling.

## Student Attendance/Participation

- All nonresident students have been identified and progress to be monitored.
- New nonresident students and current students under a contract have been sent a letter welcoming them to Dayton. Tuition for these students will be collected. Students that were not under a contract are grandfathered without having to pay tuition.

## Summer Projects

- 41 of 47 Campus improvement projects will be 100% complete prior to the 1st day of school. Items incomplete are ongoing long term maintenance projects.
