Consent Agenda Item (Action Item): Consider making the supplement pay for the Student\Staff Technology Integration Coordinator (SSTIC) \$2500.

Applicable State or Regulations: Board Policy 01.11 General Powers and Duties of the Board.

History/Background: It is recommended that the salary for the SSTIC be set at \$2,500. Each school in our district is equipped with a wide range of student and staff devices that require regular troubleshooting and support. The SSTIC plays a critical role in maintaining the functionality of these devices and ensuring minimal disruption to instruction. While more complex or large-scale issues will continue to be addressed by the district's technology technicians, the day-to-day management of school-based technology needs justifies the continuation and compensation of this essential position.

Fiscal/Budgetary Impact: None

Recommended Action: Approve as presented
