Mr. Tim Schlosser, Superintendent  
Simpson County Board of Education  
430 South College Street  
Franklin, KY 42134

Dear Superintendent Schlosser,

On behalf of the Board of Directors and staff of the Kentucky School Boards Association (KSBA), thank you for your board's continued investment in KSBA membership for the 2024–25 fiscal year. Your board's engagement is vital to the strength of our shared mission: *supporting excellence in school board leadership to ensure high-quality education for every Kentucky student*.

As the only organization dedicated solely to Kentucky's 857 locally elected school board members, KSBA provides a return on investment that districts across the Commonwealth have trusted for almost 90 years. All 171 public school districts continue to maintain active memberships – testament to the lasting value and impact of our services. Here are just a few highlights of how we support board teams like yours:

- **Expanded access to timely training:** KSBA continues to find innovative ways members can complete their state-mandated board training hours, with emphasis on practicality, engagement and relevant topics district leaders are looking for.
- **Effective and respected advocacy:** During the 2025 legislative session, KSBA monitored more than 244 education-related bills and distilled complex information into concise updates for board teams. We championed your district's needs in Frankfort and worked directly with lawmakers to improve bill language.
- **Trusted information at your fingertips:** Our publications, special resources and digital media keep Kentucky's education leaders informed and prepared.
- **National representation, resources:** As an active member of the Consortium of State School Boards Associations (COSSBA), KSBA ensures that Kentucky is part of the national conversations on public education, and we benefit from meaningful relationships with our counterparts in other states.

To continue this important work on your behalf, we ask that you once again renew your district's membership. On June 14, KSBA's board of directors – comprised exclusively of local school board members – approved the 2025–26 dues schedule. Your district's dues for the new fiscal year are \$5,941.19. An invoice is enclosed for your records.

We deeply value your partnership and encourage you to reach out to us if you have questions or insights. Thank you for your commitment to student achievement and strong local governance.

Sincerely,

Pamela Morehead, KSBA President

Kerri Schelling, KSBA Executive Director
