## Scholarship Application Form – Partner Groups

1. Tell us about your mission.

Safe Harbor Academy in partnership with young adults, families, and community, will prepare all students to strive for excellence through rigorous instruction and support to become college, career, and life ready citizens.

2. How would Life Adventure Center's resilience-building programming benefit your group or team?

The LAC resilience-building programming benefits our students by putting them in team-building scenarios along with other scenarios outside of their comfort zone. This safe space to push beyond comfort allows our kids to grow holistically. The task, discussion, and reflection help them to build resiliency that transcends back into the classroom and other environments.

3. Briefly share more about your group's financial situation and what ways are you able to financially contribute toward LAC programming? (transport the group, provide meals, program service fees, etc.)

We provide our own transportation, student service fees, and meals for all students. Our budgets are being impacted by federal budget cuts and freezes.

4. What size group including participants & staff/volunteer do you hope to bring?

We typically bring around 15-20 students and 6 staff members to each visit.

5. Please provide your first, second, & third date & time you'd be interested in programming with LAC?

Dates already established with program director.

6. Please provide your organization's contact information for both billing and scheduling programming.
