2025-2026 Technology Fee Information:

Chromebook Technology Fee

- The technology fee for Chromebooks ensures a safe, effective, and enriching learning environment.
- It also covers:
 - Essential classroom software, including instructional and learning management tools.
 - A comprehensive monitoring and filtering systems protect students from inappropriate online content.
 - A robust network security safeguards sensitive information and digital infrastructure.
- Woodford County Public Schools is committed to keeping costs low; secondary technology fees have not increased since 2017.
- Personal devices are not permitted on the school network due to security risks and assessment requirements.
 - Medical devices are the only exception and will be added to the network by the school nurse in collaboration with the technology department.

Chromebook Distribution and Fee Payment

- Students will receive Chromebooks on the first day of school, August 14th.
- There will be no separate Chromebook Deployment days.
- Pay fees via ParentSquare (a small transaction fee applies from the).
- Alternatively, send a check or money to the school's bookkeeper with no transaction fee

Fee Waivers and Eligibility

- If student(s) qualify for free or reduced lunch, technology fees will be waived.
- If parents or guardians received a Direct Certification Letter (based on assistance programs like SNAP), no application is needed. Fees are waived.
