RE: Bid Review for Centerfield Elementary School Districtwide Site Improvements Project

Mr. Bohannon,

I have reviewed the bids provided for the proposed Site Improvements at Centerfield Elementary. The apparent low bidder, Triumph General Contracting, appears to be well qualified and available to do the work and meet the required schedule. I have reviewed the form of proposal and all information appears to be in order. I also recommend award of the voluntary alternate 2 for the upgraded signage package. The vendor is a locally owned and operated company with what appears to be a superior product. Based on all of the above, I recommend award of the project to Triumph General Contracting.

Please let me know if you have any questions.

Respectfully,

Liz Piper, RLA, ASLA, Partner  
Element Design
