

Criteria for using residual MacKenzie Scott funds from MOA section 6C

Funding provided in section 6A will first be allocated to all schools as Culture & Climate Funds allocated at \$25 per staff member in each building. This funding is for school staff only. The residual after providing for this use will follow the criteria set forth below.

Funds will be allocated for purposes that promote student achievement, including:

- Special allocations to directly support students, student groups, or schools
- Special allocations to support employees who directly support students
- District-wide funding benefitting students
