Subject: Athletics - Results of Proposal 2

Good morning,

I hope this finds you well.

Below are the results of Proposal 2 and the next action steps:

- Regional seeding will be determined based on district seeding.
- The first rounds of the Super Region tournament will take place at host sites.
- The final eight will compete at either EKU or UK.
- The tournament will be managed by our newly hired Tournament Manager.

Looking ahead:

- The tournament host will serve as a placeholder role.
- The Tournament Director responsibilities will fall to the Tournament Manager.
- A Tournament Committee will be established, with one Athletic Director representing each district.
- The committee's initial task will be to identify and appoint a Tournament Manager.

Thank you for your continued support and commitment to making this a great experience for all involved.

Have a great day!
