Spring Boys Lacrosse

**Positive Developments  
and Highlights**

We successfully completed the inaugural season of boys lacrosse. We started with 43 schools and ended with a total of 41 schools participating in boys lacrosse. A huge thank you to Powell Miller, Shelby County, and Collins High School for hosting the state finals.

**Issues of Concern  
(legal, playing Rules,  
fiscal management,  
etc.)**

Lack of officials and costs to schools continues to be a concern for lacrosse. The number of schools with boys lacrosse may decline due to the overall costs to fund a team.

**Championship  
Update/Review**

Opening rounds were held at school host sites. The boys lacrosse semis and finals drew a crowd of 1,441 according to ticket sales. The season concluded with Trinity claiming the first Boys Lacrosse State Championship.

**Officials  
Update/Review**

We ended the season with 79 licensed boys lacrosse officials. However, the western part of the state faced ongoing challenges with game coverage due to a lower number of available officials in that region.
