Spring Girls Lacrosse

**Positive Developments
and Highlights**

We successfully completed the inaugural season of girls lacrosse with a total of 38 schools participating. A huge thank you to Powell Miller, Shelby County, and Collins High School for hosting the state finals.

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

Lack of girls officials across the state is still a concern.

**Championship
Update/Review**

Opening rounds were held at school host sites. The boys lacrosse semis and finals drew a crowd of 476 according to ticket sales. The season concluded with Kentucky Country Day claiming the first Girls Lacrosse State Championship.

**Officials
Update/Review**

We concluded the season with 55 licensed girls lacrosse officials. The limited number made game coverage challenging. We're hopeful to see this number grow in the coming year.
