

General Counsel Chad Collins

Topic

Attendance on Behalf of KHSAA

Attendance for KHSAA

**Meeting_Session
Attended**

Education Committee for the Kentucky Bar Association

**Takeaways to help
Board and Staff**

This meeting helps the Association maintain relationships with other attorneys in the schools (board attorney), other governmental organizations, and in private practice.

General Commentary

The state continues to be subject to every changing laws making the student enrollment population more mobile than ever. While this mobility for educational purposes is positive, it makes decisions regarding eligibility challenging. This meeting keeps the Association aware of current legal issues as well as developing issues on this and other educational topics.
