**Positive Developments
and Highlights**

University of Kentucky continues to be an amazing host site with cooperating staff to make the experience the best for the girls of Kentucky. Did see an increase in attendance of about 150 tickets over the entire two weekends.

**Championship
Update/Review**

The UK staff was extraordinary in terms of being on site and on call to address all of our needs. Coaches, teams and fans were exceptional in terms of sportsmanship and engaging with our event staff in a positive manner, especially despite all of the weather issues.

**Officials
Update/Review**

The officials were professional throughout the tournament. The KHSAA received positive feedback from the coaches involved in the tournament.
