MEMORANDUM

To: Mr. Christopher Bentzel, Superintendent

From: Michelle Ladd, Director of Special Education

Date: August 7, 2025

Re: ARC Chairpersons (CCSD Representatives)

According to our special education procedures, “the Superintendent, in consultation with the Director of Special Education, will recommend to the Board of Education for approval a list of CCSD Representatives”. The Christian County School District (CCSD) representative is also defined in our procedures as “the principal of the school or other administrator who has knowledge about the general education curriculum, is qualified to supervise the provision of special education and is able to commit personnel and fiscal resources for the implementation of the IEP. The principal may assign a designee to serve as the CCSD representative”.

Attached is a list of the CCSD representatives that I would like for you to recommend to the Board of Education for approval for the 2025-2026 school year. By approving these individuals to serve as the CCSD representative, the board is granting them authority to obligate resources for the implementation of Individual Education Plans for students with disabilities.

A list of all personnel who are qualified to chair ARC meetings as of August 14, 2024
