Dear Members of the Board of Education,

Each year, the Kentucky FFA Association, in conjunction with the various regions of Kentucky FFA, hosts a state-wide leadership conference for regional and chapter officers. It is a **HIGHLY** selective group of kiddos that get to go to this conference. At the conference, students join together with officers from across the state to take part in intensive leadership training and workshops, present information from their chapters, as well as network with Kentucky FFA Officers and Leadership.

This year, I am requesting to take two officers to this conference: Cole Nichols, the Bluegrass Region President and the Bourbon County President and Dixie Barnett, Bourbon County FFA Vice President. They are a wonderful representation of our chapter.

This is an overnight trip and will be hosted at the Kentucky FFA Leadership Training Center in Hardinsburg Kentucky. All lodging is on site. Meals will be provided by the center as well. The cost of this incredible leadership event will be covered by the FFA Chapter. We will need a suburban in order to get to the event, which will be driven by me. I am up to date on my CPR/First Aid, and am qualified to drive a vehicle.

If you have any questions, I would be more than happy to answer them! Thank you so much for your consideration of the trip and we look forward to hearing from you.

Best Regards,
