RE: Monday.com Additional User Seats

The attached agreement/sales order is an addendum to purchase 15 additional users for Monday.com. This platform currently serves our district as our primary platform for board agenda item submission and communication for deadlines/tasks for district and school level communications. Due to the need of adding more users, this agreement for \$9,195.45 will ensure all district and school-based users have an account. The cost will come from Communications, the Superintendent's office budget, and/or the general fund. The original contract has been reviewed by Dinsmore & Shohl, LLP. Approval is requested for the additional seats as an addendum to the contract between BCPS and Monday.com.
