

VALUES, MISSIONS AND GOALS

The visionary process which the Board has undertaken over the last few years has taken the form of nine values, a mission statement and motto, and seven goals for the Board and the Association. Values must be the basis for the Association philosophy and are the building blocks for the future.

The ten values are:

1. The opportunity for participation for all student athletes.
2. Strong leadership at all levels within the association.
3. Education and the role of athletics in that process.
4. Sportsmanship and citizenship.
5. Quality of the total program.
6. Integrity of the membership.
7. Professionalism and efficiency within the organization.
8. Fairness and consistency as it relates to the enforcement of rules.
9. Accountability of the student athlete.
10. Preservation of the heritage of interscholastic athletics.

The mission statement reflects the perspective which the Board and staff uses to guide future actions and is as follows:

The KHSAA shall establish and deliver the highest quality interscholastic athletic programs and activities in an efficient manner which emphasizes sportsmanship and integrity and enhances the education of the student-athlete.

The seven goals for the Association are:
