- (c) If the above Purchase Option price is the Fair Market Value Purchase Option, then notwithstanding anything to the contrary in the Lease Agreement, if no default has occurred and is continuing under the Lease Agreement or this Schedule, you will have the option at the end of the original term, or any renewal term, of this Schedule to purchase, for the above Purchase Option price, all (but not less than ail) of the related Product covered by this Schedule at a purchase price equal to the then-existing fair market value of such Product. In the event that you exercise such option, fair market value of the Product will be defined as the price a willing buyer will pay to a willing seller with no obligation to sell or purchase the Product in an open market. If both parties cannot agree to a price, you may request an independent appraisal by an appraiser approved by us, and both parties agree to the value as determined by the appraiser. All appraisal costs are to be borne by you. You agree to pay all sales tax, use tax and other similar tax payable in connection with the purchase of the Product. If you do not give us such written notice or if you do not purchase or return the related Product in accordance with the terms and conditions of the Lease Agreement and this Schedule, the original term of this Schedule, or any renewal term, will automatically renew in accordance with the terms of Section 14 of the Lease Agreement. This purchase option shall not apply to any Software.
- (d) If the above Purchase Option price is the Fair Market Value Purchase Option, then upon receipt by us of payment of the Purchase Option price described in clause (c) of this Paragraph 3, we will transfer our interest in the related Product to you "AS IS, WHERE IS" without any representation or warranty whatsoever, and this Schedule will terminate.

Any part of the Lease Agreement or this Schedule that could, but for this Section, be read under any circumstance to allow for a charge higher than that allowable under applicable law is limited and modified by this Section to limit the amounts chargeable to the maximum amount allowed. If, in any circumstance, any amount in excess of that allowed by law is charged or received, any such charge will be deemed limited by the amount legally allowed and any amount received by us in excess of that legally allowed will be applied by us to the payment of amounts legally owed under the Lease Agreement or refunded to Customer.
