The Corporation partly funds the UNITE Service Corps for National and Community Service (hereafter called CNCS) through Serve KY.

UNITE SERVICE Corps is a service organization that provides opportunities for adults (hereafter referred to as members) aged 18 and up to contribute to service in their community. USC members, a diverse group of individuals, serve in elementary schools, providing mathematics tutoring to targeted students with a focus on improving math skills.

I. PARTNER DISTRICT ROLES AND RESPONSIBILITIES

- A. **Financial:** Provide financial support for matching the cost of members during the UNITE Service Corps program year September 1, 2025-July 31, 2026. The partner site contribution is \$6,850 for members serving in a full-time capacity. Funds provided to UNITE Service Corps as a restricted donation to support the expenditures of UNITE Service Corps Programs, including necessary expenditures that are outside of the provisions of 2 CFR 200, Subpart E. If total contributions exceed the total program costs incurred by UNITE Service Corps as of the end of the program year, Partner site agrees that any remainder may be carried over for the benefit of the subsequent year program:
- B. **Member Replacement:** If a member leaves the program during their term of service, they may be replaced if they have served less than 42% (504 hours) of their commitment as stated in the Corporation for National and Community Service guidelines. They cannot be replaced if they have served over 42% of their time commitment.
- C. **Site Supervision:** The partner site will provide site supervision where AmeriCorps members are assigned. The principal will serve as the Site supervisor. Site supervisors receive UNITE Service Corps orientation information, a site supervisor's agreement, and technical assistance from program staff. The site supervisor must review and sign the service site agreement before August 1 or before the placement of the USC member of the program year.
- D. **Site Supervisor Criminal History:** The district affirms that the employee who acts as site supervisor has a criminal history check that clears them to work as certified personnel in the school district in compliance with KRS 160.380(5) (a-c). The district maintains this documentation, which may be shared by written request and employee permission.
- E. **Recruitment:** Sites are responsible for recruiting potential AmeriCorps/USC members. The USC application is required as the first step in this process. USC staff conducts screenings of applicants and makes the AmeriCorps mission and goals clear before any final agreement is made with the applicant to enter this AmeriCorps program. The site supervisor and/or applicable school and district staff select the candidate they prefer for their site. Final approval must come from the USC Program Director.
- F. **Civil Rights / Equal Opportunity Policy:** The Corporation for National and Community Service (CNCS) has zero tolerance for harassing any individual or group of individuals for any reason. CNCS is committed to treating all people with dignity and respect. CNCS prohibits discrimination based on race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. Any such harassment, if found, will result in immediate corrective action, including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, partner sites, programs, and/or projects, are also subject to this zero-tolerance policy. Where a violation is found and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources. Any person who believes that they have been discriminated against in violation of civil rights laws, regulations, or this policy or retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise their concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days (about 1 and a half months) of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project, or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at (202) 606-7503 (voice), (202) 606-3472 (TTY), eo@cns.gov, or through <http://www.nationalservice.gov/>. UNITE SERVICE CORPS is the AmeriCorps project of Operation UNITE. USC is funded in part by the Corporation through Serve Kentucky.

UNITE Service Corps is an equal opportunity organization.

- G. **Member Terms of Service:** USC members are contracted to serve through Operation UNITE regardless of the district they serve. Members are not district employees. The definition of “participant” in the National and Community Service Act includes AmeriCorps members. Under the law, “a participant (member) shall not be considered to be an employee of the organization receiving assistance under the national service laws through which the participant (member) is engaged in service” (42 U.S.C. 12511(30)(B)). USC staff must work with site supervisors to hire, terminate, reprimand, etc. members. Any concerns about the member must be brought to the attention of the USC staff immediately. UNITE provides a grievance protocol for the member. A contract with Operation UNITE provides member workers’ compensation and other applicable insurance.
- H. **Member Criminal History:** All applicants interviewed for USC positions must agree to the National Service Criminal History Check. Members must give written consent and provide a color photo ID. Truescreen facilitates the check. It includes the search of the Department of Justice’s Sex offender database, a search of state of service criminal history repository and from the repository of the applicant’s state of residence if different, a fingerprint-based check submitted for a national search through Fieldprint or the Kentucky State Police (Identigo). USC bears the cost of the search. District-initiated criminal history checks cannot substitute the NSCHC requirement. Any individual who is registered or is required to register on a sex offender registry or was convicted of murder will not be cleared to participate in the USC program, even if the school district’s policy may, under some circumstances (e.g., through an appeals process), allow.
- I. **Performance Goals:** USC members tutor 35 students in grades 3-5 in math. Students will receive at least one hour of tutoring per week. USC members also teach a 10-week curriculum, Too Good for Drugs, to all fourth-grade students. Members must also sponsor/cosponsor a UNITE Club.
- J. **Student Assignment to Members:** Members will provide pre and post-test scores; tests will be provided by USC staff. Students who receive tutoring will not have IEP goals in math. The target group will be students who can show improvement with the help of a small group or one-to-one tutoring. USC members are not trained to manage students identified with behavior disorders. USC members should not be assigned the care of students identified with or suspected of having atypical impulse control or violent behavior.
- K. **Confidentiality of Student Data:** USC uses student assessment scores to document student growth. Tutors assign students confidential IDs in USC’s report management system, America Learns. Assessment scores, instruction notes, and the time a tutor sees a student become part of the student’s confidential record. Student data is used to evaluate program effectiveness in meeting math growth targets. Student data is exclusively used by USC staff and evaluators.
- L. **CNCS or Serve Kentucky Requested Service:** The site will allow the USC member to participate in disaster relief/emergency response efforts as requested by Serve Kentucky and/or the USC Program Director.
- M. **Civic Engagement:** Attend, support, and promote USC’s efforts to inspire local community members to volunteer in school activities, community service, tutoring programs, drug education, and other USC projects, including, but not limited to, UNITE coalition meetings and other UNITE programs in the service area.
- N. **Reporting:** Complete weekly and monthly reports, two performance evaluations, and other reports and surveys required by USC, Serve Kentucky, and CNCS.
- O. **Meetings and Trainings:** Attend partner meetings as they are held, which will provide information about program policies and procedures and an opportunity for information exchange between USC partners. USC will reimburse the
