I will continue using the Attendance Tracking Data Sheet for this school year. Although it will be updated weekly once the school year begins, I wanted to go ahead and provide access to the document [HERE](#) in advance.

We have worked hard to develop a system that allows parents to complete most of the beginning-of-year paperwork electronically. We are also pleased to announce that an electronic version of the Home Income Form is now available. This new system will integrate the information directly into Infinite Campus. We are very excited about this improvement.

### Back to School Bash

The Back to School Bash was a great success this year. I will include more specific attendance numbers in my September board report.

A heartfelt thank you goes out to everyone who contributed. Special thanks to Danielle Carr, who played a key role in the success of the event by organizing vendors and games for our families.

We also extend our appreciation to the following vendors: Olivia Steiner, Charities Guild of NKY, ION Center, CAC, United Way, EducateNKY, CCDFA, Campbell County Library, NKY Health Department, Brighton Center, FCA, and Jane Bickers for selling spirit wear. Thank you to our Board of Education members for managing the grill, and to Bellevue Kroger for generously donating all the food for the evening.

Of course, this event would not have been possible without the support of our Bellevue Independent Schools staff, students, and families.

We will be sending out a feedback survey to families next week, and I will share the results in next month's report.
