

OLDHAM COUNTY BOARD OF EDUCATION

**CONCERN**

Consider approval of 504 Committee Chairperson Designees for the 2025-2026 school year.

**DISCUSSION**

As specified in the Oldham County Schools 504 Procedures, each student suspected of having an impairment must be evaluated by a team of persons knowledgeable about the student. The team members review the nature of the disability, how it affects the student's access to the school environment or to school activities, determine whether related aids or services, or program modifications are needed and if so, determine the 504 services to be provided. The Oldham County Schools 504 Procedures requires that the team have a chairperson approved by the Board of Education upon recommendation by the Superintendent.
