MEMORANDUM

TO: Christian County Board of Education Board Members

FROM: Dr. Melanie A. Barrett, Director of Pupil Personnel

DATE: August 21, 2025

RE: Online, Virtual, and Remote Learning 09.1224

Christian County Public Schools submits a revision to the Online, Virtual, and Remote Learning 09.1224 policy.

Online, Virtual, and Remote Learning 09.1224 policy in the original draft indicates online, virtual and remote learning enrollment shall be voluntary; however, HB 538 (2023) allows enrollment in disciplinary cases.

A draft review and approval was conducted in June and July 2025. Inadvertently, 2023 was not added to the original draft. KSBA has advised adding 2023 requires additional board approval.

Online, Virtual, and Remote Learning

A Virtual Program means a program offered by the District in which all courses in the program are virtual, do not include regular in-person instruction, and are designed as an alternative to traditional in-person programs.

The District shall ensure that:

- a. All of the education services and requirements as a physical school to fully support the academic, social, emotional, and mental health needs of the learner are provided;
- b. The program meets the requirements set forth in 704 KAR 3:305;
- c. The program is aligned to the academic and curricular requirements of the District; and
- d. A student shall be eligible to participate in one (1) or more types of programs to address student learning needs, which shall include credit acceleration, credit accumulation, and an innovative path to graduation.

The Board shall adopt and annually review, policies and procedures for the operation of each full-time enrolled online, virtual, and remote learning program of the District. The District shall use the statewide financial management system and chart of accounts to track costs and expenditures associated with the program.

The program shall be subject to all applicable requirements of 703 KAR 5:225 and Kentucky's Consolidated State Plan.

ENROLLMENT

Students with determined appropriate digital access and support beyond the school campus shall be candidates for enrollment. The District shall ensure all students enrolled have appropriate digital access to fully participate in and access the program.

Enrollment shall be voluntary and shall meet any eligibility requirements established by the Board except in disciplinary cases per House Bill 538 (2023).

Voluntary placement of a child with a disability shall be made through the 504 Committee or Admissions and Release Committee (ARC) pursuant to 707 KAR 1:320. The ARC shall document the placement in the conference summary.

The District shall utilize the student information system to enter data regarding each student. Data collected shall include demographic, programmatic, or other data fields required by the Kentucky Department of Education.

ATTENDANCE

Students enrolled in this program shall be counted in attendance and attendance shall be collected as outlined in 704 KAR 3:535.

Students shall be subject to the compulsory attendance laws set forth in KRS 159.150 and KRS 159.180, and Board policy. The Superintendent shall develop and implement procedures to address student absences, which shall include at a minimum:

Online, Virtual, and Remote Learning

ATTENDANCE (CONTINUED)

- a. The attendance status of students with an internet outage;
- b. The process to return students to in-person instruction for truancy violations, and
- c. The process for actions it shall take pursuant to KRS Chapter 159 for truant students.

The District shall document each student enrolled in the program as non-transported in the state student information system for transportation funding purposes.

GRADUATION REQUIREMENTS

In addition to the content requirements established by the Kentucky Academic Standards, and the credits required by the minimum requirements for high school graduation in 704 KAR 3:305, the Board may impose other requirements for graduation from high school.

STATE ASSESSMENTS

Students shall participate in the state-required assessments and be included in the state accountability system. However, the Board shall not adopt any graduation requirements that include achieving a minimum score on a statewide assessment.

EXTRACURRICULAR ACTIVITIES

Students shall be eligible to access extracurricular activities and programs as allowed by Board and School Council policies and by 702 KAR 7:065.

INSTRUCTIONAL SUPPORT AND MATERIALS

Students shall have access to instructional and support resources and services available to other students in the District, which shall include instructional materials, tutoring, intervention, and counseling services, in furtherance of each student's educational program as determined by the Individual Learning Plan.

PERSONNEL

Teachers and administrators shall be subject to the teacher certification requirements established in KRS 161.020 and shall comply with the classified and certified assignment restrictions established in KRS 160.380. The District shall ensure a system of high-quality professional learning on the high-quality instructional resources and on evidence-based instructional practices for virtual learning.

Except for schools with a school-based decision-making council that has voted to waive the requirement, kindergarten aides shall be provided for each twenty-four (24) full-time equivalent kindergarten students enrolled in the virtual program.

CLASS SIZE

Maximum class size and exemptions shall meet the requirements as established in KRS 157.360 and 702 KAR 3:190.

Virtual program teachers shall not exceed the equivalent of three hundred (300) pupil hours per day.

Online, Virtual, and Remote Learning

CURRICULUM, CONTENT, AND INSTRUCTION

Instruction shall be aligned to the grade-level expectations established in the Kentucky Academic Standards and grade-level appropriate assignments. District staff shall maintain evidence of systemic formative assessment processes in place to:

- a. Accurately measure student progress on grade-level standards; and
- b. Support student needing accelerated learning on grade-level standards within universal instruction as well as those who need more targeted intervention and supports.

The program shall implement synchronous learning strategies and digital platforms for two-way visual and verbal interactions. The program shall utilize a learning management system or other digital platforms that allows teachers to monitor student's progress, interactions, and engagement with the teacher, and other students online for the review of student work and completion of assignments through both synchronous and asynchronous interactions.

Students shall be assigned a schedule that aligns with the standard day of in-person students and KRS 158.070.

The program shall ensure attainment of the declarations and goals in KRS 158.6451 and students shall receive access to the essential workplace ethics programs, including characteristics critical to success in the workplace.
