RE: Request for Contract

Presented are agreements from Ohio Valley Education Cooperative with whom the Special Education Department conducts business each year. This agency provides a Diagnostician to assist with the administration of educational evaluations to students in the Special Education referral process. OVEC also provides Occupational Therapy, Speech Language Pathology and School Psychologist services through an agreement with Hands on Therapy, a third-party agency. They have been reviewed by Emily Vessels, a colleague of Eric Farris of Dinsmore & Shohl LLP. We are requesting continuation of these contracts for the 2025-2026 school year.

Please let me know if you have any questions about this request.
