

6th Region (18) / 7th Region (20)

Splitting the regions with a dividing line going from East to West. The teams that fall south of the line will be in the 6th Region and the teams that fall north of the line will be in the 7th Region.

Regional Changes

Shawnee, Portland Christian, Brown, St. Francis, Central, and Presentation move into the 7th Region

Male, Mercy, Fern Creek, Whitfield, and Moore move into the 6th Region

6th Region

The Districts are split by:

- 1) Having at least 4 Boys Teams and 4 Girls Teams competing in District Tournament Play
- 2) Geography - Keeping district schools close together by mileage

The Regions are split by:

- 1) Keeping the Regions close in numbers N (20) S (18)
- 2) Setting a clear straight line to divide the 2 Regions
