August 2025 Celebrations

- Total of 85 Jobs open on 8/18/25
(For context, there were 150 open on 8/19/2024).
- Only 11 of the open jobs are for certified teachers.
- There are 223 active subs ready to go in the system.
- For many of the 11 open teaching positions, a strong retiree or substitute is in place to ensure consistency and support until an appropriate certified teacher is found.

Greatest Needs: August 2025

- **ECS Classified** positions remain the most difficult to fill. *(Currently 22 of our open positions are ECS classified, about the same as last year at this time.)*
- We currently need around 10 more **bus drivers**.
- We are in need of 17 **coaches**. *(A need, but also a win! We needed almost 60 at this time last year!)*
