Consent Agenda Item (Action Item): Consider creating a Digital Learning Coach (DLC) position at Central Office. The position will be a classified position.

Applicable State or Regulations: Board Policy 01.11 General Powers and Duties of the Board.

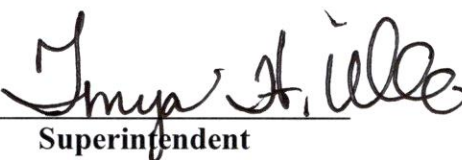

History/Background: The Digital Learning Coach supports schools with hands-on coaching, small-group training, classroom modeling, and basic Level-1 tech triage related to instructional platforms. The role collaborates with Teaching & Learning and Technology to improve classroom use of digital tools, support online testing readiness, and promote digital citizenship and accessibility practices. By adding support directly to classroom teachers, the use of technology for instructional purposes will be enhanced.

Fiscal/Budgetary Impact: None. We already have 2 certified DLC positions. Both positions are posted but not filled. By making the position classified, the position will not only save money but increase the talent pool by not requiring a teacher certification. The exact amount depends on which step the selected candidate qualifies.

Recommended Action: Approve as presented
