RE: Gaga Ball Pit at Crossroads

Crossroads Elementary is requesting that the Board approve the installation of a Gaga Ball Pit at CES. One of our district students, Noah Coomes, is seeking to complete his Eagle Scout Project and has chosen Crossroads as the place to do it. Noah contacted the school, met with the Principal, and completed a walkthrough of the facility as part of his planning process. As such, we are requesting that he (and we) receive approval to move forward with this project at CES.

Please let me know if you need any additional information from me regarding this project or decision.

Sincerely,

Ben Monnett
Principal
