Product/Service	Description	Total
Tree Removal Grapple Saw	Remove 2 large oak trees and 2 large sweetgum trees. Haul away all brush and wood.	\$10,000.00
Stump Grinding	Grind out all 4 stumps deep enough so new trees can be planted. I would suggest moving the newly planted trees away from the original stump locations, trees planted in the exact same spot do seem to struggle. (Customer is responsible for marking all private utilities; such as landscape electric, irrigation and drains. ArborCare cannot be held liable for repairs if not properly marked.)	\$2,000.00
Stump Chip Excess Cleanup	Clean up and haul away stump chips, back fill holes to a level grade with clean topsoil.	\$2,000.00
