Academics/Instruction

- Students are finishing their first round of iReady diagnostics this week and our intervention team will be analyzing the data to be able to provide the appropriate supports each student needs.
- Our daily RTI / Intervention Teacher Mrs. Daugherty has started her daily work with classes and individual students that need extra support in math and reading.
- Teachers will be having weekly team meetings / PLCs with Mr. Poynter on instruction and structure of the instruction. This will all be a work in progress throughout the year as we work on Learning Targets and Success Criteria for each grade level.

Staff Recognition

- We want to recognize our office staff as we have consolidated our two offices to the elementary side. Mrs. Thacker, Mrs. Baker, and Mrs. Saylor have done an amazing job filtering through the needed roles and being positive throughout the process. They are working as a great team and have been outstanding to work along side with daily.
- Shoutout to our FRYSC team Ms. Johnson and Mrs. Benton on their work toward a very successful elementary dance for our students and their grandparents. We had a turnout of 150 plus students and their grandparents to our Disco Dance. It was a great hit, and we would have not been able to pull it off without our outstanding FRYSC team.

- Our SBDM parent reps Ashley Hammond and Sarah Hall have been volunteering in the cafeteria and throughout the school in the month of August.
- We also are starting to have many volunteer opportunities coming up in the next few months and a record number of families that have put in their volunteer information for clearance.

Finances

- All Financial accounts are in good standing.
