

Memo

TO: Jesse Bacon, Superintendent

FROM: Sarah Smith, Director of Safe Schools and Mental Health Services
Stephanie Warner, Project Director, Stronger Connections Grant

DATE: September 4, 2025

RE: Memorandum of Agreement with Omni

This is a request for Board approval of the attached Memorandum of Agreement between Bullitt County Public Schools and the mental health service agency, Omni Community Health. Omni Community Health has signed an MOU for the 2025-2026 school year. \ This agreement outlines the roles of both agencies in providing services for the purposes of enhancing students' educational experiences. The Bullitt County Public Schools Director of Safe Schools and the Project Director of the Stronger Connections Grant will coordinate efforts to work with the outside agency's point of contact to maximize student success aligned with the terms of this agreement. This agreement has been reviewed by Dinsmore legal counsel.

cc: Adrienne Usher, Assistant Superintendent
Troy Wood, Chief Operations Officer

AGREEMENT BETWEEN
BULLITT CO BOARD OF EDUCATION
AND
Omni Family of Services

The BULLITT County Board of Education (the “**Board of Education**”) and Omni Family of Services (the “Second Party”), enter into this Agreement for professional services and agree to the following:

1. The Second Party shall provide the Board of Education Master's-level therapists or a certified therapist that is supervised under a licensed clinician, who will provide therapy services, psycho-education services, staff training, classroom behavioral assessments, and consultation to enhance student's education experience by 1) assisting students in building skills to improve negative attitudes, behaviors, or inadequate social functioning related to learning, and 2) promoting an optimal level of interpersonal skills for students. This cost will cover all duties listed above, as well as additional requests that are approved by the Board of Education and the Second Party. This contract covers the school year July 2025- June 2026.
 - a. The Second Party shall provide mental and/or behavioral health therapy services (individual or group) designed to promote skill development, as described above.
 - b. The Second Party shall provide psycho-educational services to include specific activities related to the reason for referral and measurable outcomes.
 - c. The Second Party shall provide psycho-educational services to address the following issues: drug and alcohol awareness, managing anger, parent support groups, development of self-esteem, social skills development, etc.
 - d. The Second Party shall provide training, upon request, to teachers, counselors, and any other identified parties to address the following issues, among others: behavior intervention/classroom management, mental illness in children and how it relates to the classroom, child development, post-secondary trauma, suicide risk, etc.
 - e. The Second Party shall provide consultations, upon request, to teachers, counselors, and any other identified parties to address the following issues within a school environment, among others: classroom behavior, classroom observations, program planning, and development. The Second Party staff shall communicate regularly with the school-level staff regarding student progress and caseload information.
 - f. The Second Party shall document all services it provides under this Agreement, including the date of service, the type of services, group/individual characteristics of students served, and recommendations pertinent to the services it has provided. The Second Party shall submit this documentation, subject to its confidentiality policies and procedures and the attached business associate agreement, executed as part of this agreement by the Health Insurance Portability and Accountability Act (HIPPA) of 1996.
 - g. The Second Party shall document and provide all data as requested by the Board of Education for project monitoring for optimal student success. This includes the number of students receiving services, both school-based and outside therapeutic services, the

- i. Individual Therapy - One client per session.
- ii. Family Therapy - The client presents with one or more family members or caregivers seen without the client present when indicated by diagnosis and treatment plan for the session.
- iii. Group Therapy - Two or more clients per session.
- iv. Psychoeducation Services - Prevention-oriented services are provided in groups that are informational and educational.

- b. Enrollment is open; participants do not have to be Second Party clients.
 - c. Consultation: Activities by the therapists that include, but are not limited to a) suggestions for teachers/school counselors/other identified parties on client and classroom behavior, b) classroom observations, and c) input on program planning and development.
3. The Second Party shall comply with all applicable policies of the Board of Education, FRYSC, and individual schools, copies of which the Board of Education will provide. Additionally, the Second Party will comply with the legislative mandates of Senate Bill 150 concerning mental health services to students unless additional parent/guardian consent has been obtained directly from the Second Party.
4. Upon request, the Second Party shall provide the Board of Education with a copy of its certificate of professional liability insurance.
5. The Second Party shall hold the Board of Education and its agents and employees harmless from indemnifying them against any claims, demands, actions, or judgments resulting from the actions of its agents or employees under this agreement.
6. Board of Education Shall:
 - a. Provide the Second Party therapists appropriate district orientation training, including becoming familiar with the District's multi-tiered system of supports, cultural and behavioral approaches to managing students with problem behaviors, approaches to managing students with problem behaviors, and fostering a positive school culture. These days of training can be before school starts, or on PD days, or Bullitt days, per the school calendar.
 - b. Coordinate meetings at the school level with each Second Party therapist to ensure effective communication between the Second Party and BCPS staff.
 - c. Provide the Second Party with copies of all policies with which the Second Party is required to comply.
 - d. Provide the Second Party with access to all relevant data necessary for the Second Party therapists to provide therapy services, psycho-educational services, and consultation under this Agreement, subject to the attached Business Associate Agreement.
 - e. Provide the Second Party adequate confidential workspace.
 - f. Hold the Second Party and its agents and employees harmless from and indemnify them against any claims, demands, actions, or judgments resulting from the actions of the Board of Education or its agents or employees under this Agreement.
7. The Second Party and the Board of Education will meet regularly to discuss the contract, the therapists providing services, and oversee the functioning of this contract to ensure quality for consumers.
8. The term of this Agreement will begin on July 1, 2025, and shall expire on June 30, 2026. Either party may terminate this Agreement with thirty days' written notice to the other party.
