

Kentucky Educational Collaborative for State Agency Children (KECSAC)
Memorandum of Agreement
Overview

Legislation enacted by the Kentucky General Assembly in 1992 (SB260) and 1994 (HB826) established KECSAC and defined “state agency children” (SAC) and the role of school districts in the provision of services to these youth (KRS 158.135). Subsequent regulations provide the foundation for the Memorandum of Agreement (MOA) between KECSAC and the school district providing educational services to state agency children.

Working in cooperation with the Kentucky Departments of Education (KDE); Juvenile Justice (DJJ); Behavioral Health, Developmental and Intellectual Disabilities (BHDID); Community Based Services (DCBS); and Local Education Agencies, KECSAC annually requires that each school district submit the following items as attachments for each program to this MOA:

- **ATTACHMENT 1** - A total budget for the education of state agency children in the treatment programs in project budget report MUNIS format.
- **ATTACHMENT 2** - A comprehensive annual budget for the state agency children educational program.
- **ATTACHMENT 3** - A completed Program Educational Calendar Worksheet.
- **ATTACHMENT 4** - A plan for making up any of the 210 instructional days due to inclement weather or other district planned events.
- **ATTACHMENT 5** - A completed SEEK Calculation Worksheet.
- **ATTACHMENT 6** - A current 2025-2026 Interagency Agreement between the school district and each contracted or operated program and DCBS or DJJ.
- **ATTACHMENT 7** - A 2025-2026 Program Improvement Plan (PIP).
- **ATTACHMENT 8** - Implementation and Impact Check, based upon 2024-2025 Program Improvement Plan.
- **ATTACHMENT 9** - A Student Transition Plan (STP).

The MOA and attachments form the basis for the operation and distribution of State Agency Children’s Funds (SACF) for the delivery of education services to SAC.

1. a. Those children of school age committed to or in custody of the Cabinet for Health and Family Services and placed, or financed by the cabinet, in a Cabinet for Health and Family Services operated or contracted institution, treatment center, facility, including those for therapeutic foster care and excluding those for nontherapeutic foster care; or
 b. Those children placed or financed by the Cabinet for Health and Family Services in a private facility pursuant to childcare agreements including those for therapeutic foster care and excluding those for nontherapeutic foster care;
2. Those children of school age in home and community-based services provided as an alternative to intermediate care facility services for the intellectually disabled; and
3. Those children committed to or in custody of the Department of Juvenile Justice and placed in a department operated or contracted facility or program; and
4. Those children referred by a family accountability, intervention, and response team as described in KRS 605.035 and admitted to a Department of Juvenile Justice operated or contracted day treatment program.

The passage of SB260 in 1992 envisioned KECSAC as serving youth in state operated or contracted residential and day treatment programs. With the passage of HB826 in 1994, a diverse array of treatment programs was brought under the SAC definition. With the passage of HB117 in 1996, KECSAC services were extended to youth under the care of the Department of Juvenile Justice.

The educational programs that serve SAC must meet the special needs of students who, upon exiting a public or private treatment program in the Commonwealth, will return to a public school setting as well as those who will enter the work force or some other alternative program.

The original signed copy of the KECSAC MOA and attachments should be returned to the KECSAC office prior to September 15, 2025. KECSAC will affix final signature to the documents and return a final signed MOA to the School District. The school district will not receive reimbursement until all required information is submitted to complete the MOA. A confirmation of receipt of the MOA will be sent to the school district by KECSAC. A final signed copy version will be returned to the school district after submission of completed MOA. If a completed MOA is not received by March 1, 2026, KECSAC will reallocate funds identified herein to other participating school districts and the outstanding incomplete MOA will be forfeited for the fiscal year.

The local school district that contracts with KECSAC to provide educational services to SAC must provide an equal and equitable education to students in KECSAC programs. This includes equitable resources such as textbooks, teaching materials, technology materials, support and maintenance.

Make Up Day Plan

2025-2026

Include a plan with your MOA for making up any of the 210 instructional days, or the equivalent hours, as approved by KDE, missed due to inclement weather or other district planned events.

Programs will be asked to:

- Have a schedule that is consistent with the contracted school district.
- Be responsible for meeting the KDE approved educational calendar and the extended educational calendar days necessary to meet the 210 educational days required by 505 KAR 1:080. A minimum of four (4) hours of direct instruction is required for each of the extended school days. “Banked” time may not be used to fulfill the extended days. Students enrolled in a KECSAC program are required to attend the extended school days.
- Follow the inclement weather schedule with the contracted school district.
- Take a proactive approach and plan for additional instructional days and plan for at least ten (10) of those days for inclement weather. For example, a day treatment cannot open for an instructional day when a school district has closed due to inclement weather; however, professional development for teachers can be coordinated and planned for those unexpected days in order to meet the 210 instructional days.
- Submit the school district approved inclement weather plan with the approved KDE school calendar email (Attachment 3).
- The Glendale Center will operate under the Elizabethtown Independent Schools
- district Calendar.
- When EIS is closed to inclement weather, then the Glen Dale Center students will
- also be out of school.
- When EIS makes up days, so will the students from the Glen Dale Center.
- The GlenDale Center will be responsible for meeting the KDE approved educational
- calendar and the extended educational calendar days necessary to meet the 210
- educational days required for each of the extended school days. “Banked” time may
- not be used to fulfill the extended days.
- Students enrolled in a KECSAC program are required to attend the extended school
- days.
- Tentative make-up days are built into the EIS school calendar

2025-2026

A current Interagency Agreement between the **School District** and each contracted program for the Cabinet for Health and Family Services and Department of Juvenile Justice should be attached and returned with the MOA. A sample copy of an interagency agreement can be found at www.kecsac.org/funding on the Funding page under Memorandum of Agreement.

Mental Health Day Treatment programs are required to comply with the KECSAC Mental Health Day Treatment Program Standards of Practice.

This agreement is intended to form the basis for a cooperative relationship between the Glen Dale Treatment Center (GDTC) as a provider of residential services, the Sunrise Children's Services as the parent organization of GDTC, and the Elizabethtown Independent Schools Board of Education as the local education agency {LEA} responsible for the provision of school services.

It is the mutual goal and intention of each of the agencies named above to maintain the needs of each child or youth as our priority in fulfillment of this interagency agreement. This Agreement is to foster the provision of coordinated and high quality school and residential services. It is not meant to be an impediment to either agency in meeting their respective goals, but rather to foster a collaborative approach to services on the part of both agencies.

The Glen Dale Treatment Center, as the residential services provider, in order to meet the intent of the Agreement hereby agrees to:

1. Provide the LEA with advanced notice prior to the enrollment of a student from the facility into a public school program. When this is not possible, such as in emergency cases, the school will be notified the same day that the facility is notified of the placement.
2. Provide the LEA all pertinent student records and information available prior to requesting the admittance of the student. This information is to be used by the LEA when students are enrolled that have safety concerns.
3. Notify the LEA of Regularly scheduled or specially scheduled meetings for case review and other sufficient notice and opportunity for school staff participation in relation to educational issues, placement planning conferences, and aftercare planning.
4. Notify the LEA of regularly scheduled discharges from the facility.
5. Assure the LEA that on-going communication will be maintained between staff of the residential facility and the LEA on a schedule that is mutually determined and based on the needs of each student. The GDTC administrative staff will meet with the LEA school administrative staff on a monthly basis.
6. Notify the LEA of pertinent staff development sessions scheduled for GDTC staff pertaining to services for school-aged children or youth and offer the opportunity for LEA staff to participate.

7. Inform the school staff of and ask for their input in regard to any group or individual behavior interventions or management systems and collaborate in residential implementation of similar methods utilized by the school system. Treatment teams will include a member of the educational staff when decisions affecting the student's educational program are to be made.
8. The GDTC agrees that residents will attend school for the entire day and that an effort will be made to keep residents from being pulled during the school day for individual treatment or counseling. To assist with this, GDTC will provide on-site counseling staff to work with the residents to meet their treatment needs and achieve their treatment goals as needed.
9. Determine a mutually agreeable method for dealing with any crisis behaviors of individual students or classrooms as a whole that may occur in the classroom or school setting so that a consistent management program can be implemented.
10. Administer all medications by students while under the supervision of GDTC and notify school staff of any necessary medication to be administered while under the supervision of the LEA.
11. Assure that each student's health and hygiene will be maintained and notification will be made to the school of any student condition which may affect students' behavior or performance.
12. Provide appropriate space for the on-site classrooms and school office.
13. Assure that the on-site classroom(s) are designed to meet the needs of the students.
14. Assure that GDTC will provide the necessary staff to facilitate the return of students to their residences at the end of the school day in a timely and appropriate manner.
15. Inform school staff (prior to the student's return to the on-site classroom or school) when an incident has occurred which may affect a student's academic or behavioral performance in school.
16. The LEA, GDTC, and SUNRISE agree that residents will be better served by all parties hereto if staffing at GDTC is consistent with enrollment. GDTC and SUNRISE agree to provide adequate staffing at the facility.
17. Agree the GDTC and SUNRISE hereto agree to monitor the turnover of residents, within their control, at GDTC in order to assure that LEA can more effectively meet the needs of the residents.
18. Agree to a method for resolution of disputes or issues not covered by the Agreement.

The Elizabethtown Independent Schools hereby agrees to:

1. Provide educational services for all school-age GDTC residents consistent with their educational needs and the constraints of existing state education regulations.
2. Attend GDTC meetings relative to educational services. Provide an educational staff member to participate in treatment team meetings when decisions affecting the student's educational program are to be made.
3. Notify GDTC staff of school meetings scheduled relative to the design or review of educational services for individual students.
4. Collaborate with the GDTC staff in design, implementation and/or revision of behavioral interventions in the school setting and facilitate consistent application when such interventions are appropriate for the residential setting.
5. Implement a behavior intervention plan for dealing with any crisis behaviors of individual students or the classrooms as a whole. The LEA staff will notify the GDTC administrative staff will meet on a monthly basis.
6. Assure that on-going communication will be maintained between staff of the residential facility and the LEA on a schedule that is mutually determined and based on the needs of each student. The LEA school administrative staff and the GDTC administrative staff will meet on a monthly basis.
7. Notify GDTC staff when an incident has occurred which may affect student behavior after leaving the classroom or school setting.
8. Assure that any GDTC student who is suspected of having an educational disability will be referred, evaluated, and if appropriate, provided special education services in accordance with state requirements and district procedure.

9. Notify the GDTC staff of any health or hygienic condition which is in need of attention.
10. Provide instructional goals and objectives for the education of State Agency Children as required by the Cabinet for Human Resources (CHR) and KECSAC MOA.
11. Provide on-site classroom(s) for students that GDTC and LEA staff identify as needing this service:
 - A. Transitioning into GDTC: GDTC staff and LEA staff determining if adjustment period is needed and reviewing appropriate progress of transition.
 - B. Lacking information: determining the level of service that is needed, GDTC and school staff gather more information or assess.
 - C. Having difficulty handling school setting: determining the need for and implementing appropriate support structure.
12. Agree to a method for resolution of disputes or issues not covered by this Agreement.

Commitment to the points in this Agreement signifies each agency's efforts toward achieving our mutual goal of collaboration for the provision of quality residential and educational services to each school-age individual for whom we share responsibility.

The agreement shall be in effect beginning August 1, 2024 and until a mutually agreed upon revision is requested.

- Plans should include at least one measurable, academic goal.
- Ensure your objectives are attainable within a specific time frame.
- Goals and strategies should be SMART:

Specific Measurable Attainable Relevant Time-based

Priority Need

(What aspect of past student performance needs improvement?)

Recent assessment data continues to show that a significant number of students are performing below grade level in **reading comprehension** and **mathematical problem solving**. While progress was made in 2024–2025, the percentage of novice students remains too high, indicating a need for sustained targeted interventions and consistent instructional practices.

Supporting Data for Need

(What are the reasons for the need? What data illustrates these reasons?)

Reading: 46% of students scored novice on the EIS universal screener assessment (Spring 2025).

Math: 35% of students scored novice on the EIS universal screener assessment (Spring 2025).

Teacher Observations: Students demonstrate difficulty transferring foundational skills to grade-level tasks.

Progress Monitoring: While some growth was achieved, many students remain below benchmark expectations.

Goal (Addresses the Priority Need)

(How will our future student performance be stronger?)

By the end of the 2025–2026 academic year, increase the percentage of students performing at or above the proficient level by **15% in reading** and **12% in math** as measured by local and state assessments.

Objectives for Reaching Goal

(What strategies will be implemented in our program to improve student performance pertaining to the Need? Be specific.)

1. Direct Instruction Programs

- Implement research-based, structured reading and math interventions aligned with Kentucky Academic Standards.
- Provide ongoing professional development for teachers in explicit, direct instruction practices.

2. Small Group and Individualized Interventions

- Use screening and progress-monitoring data to group students for targeted instruction.
- Deliver small group sessions focused on comprehension, fluency, and problem-solving skills.

3. Frequent Progress Monitoring

- Conduct bi-weekly formative assessments in reading and math.
- Review results in PLC (Professional Learning Community) meetings to adjust instructional approaches.

4. Student Engagement and Ownership

- Incorporate student goal-setting and data tracking tools.
- Provide students with feedback that is timely, specific, and linked to growth.

Measure of Objectives

(What data will show that we are implementing successful objectives to reach the goal? What data will show improvements in student performance?)

Progress Monitoring Data:

Weekly and bi-weekly assessment data will be collected and reviewed to show trends in student learning and growth.

Local and State Assessment Scores:

Compare fall baseline data to spring outcomes to determine percentage increase of students reaching proficiency in reading and math.

Teacher Feedback:

Teachers will document instructional adjustments made as a result of progress-monitoring data and provide qualitative feedback on student progress.

Student Voice:

Surveys and student reflections will be used to measure confidence, engagement, and perception of learning gains.

Implementation and Impact Check Report for 2024-2025

As part of the Program Improvement Planning process, KECSAC is requiring each program to complete an Implementation and Impact Check Report based upon the submitted 2024-2025 Program Improvement Plan. The report should include updates on the goals set from the previous academic year. Please contact sherri.clusky@kecsac.org if you have any questions on how to develop your program's implantation and impact check.
