**Takeaways to help  
Board and Staff**

Attend the Cheer Coaches conference and provide opening  
welcome. Continue to foster relationships with our coaches  
groups and assist in rule changes for the sport-activity of  
Competitive Cheer.

**General Commentary**

Received coach feedback for the regional competitions and  
sites/host details. Also was able to discuss with coaches about  
the emerging sport STUNT and advised them to speak with their  
Athletic Directors if interested in having that sport-activity at their  
school.
