

OLDHAM COUNTY BOARD OF EDUCATION

CONCERN

The principals have asked the Board to consider a slight change to the cell phone policy (09.4261). On page 2, under "First Offense" it currently states there will be a "parent phone call." Due to the number of offenses in classrooms and the inability to make phone calls while students are present, principals are asking if "parent phone call" can be changed to "parent contact", which would allow teachers to discretely notify parents via email.

DISCUSSION

RECOMMENDATION

Approval of a revision to the Telecommunication Devices Policy (09.4261); Under 5. a. First Offense the wording be changed to "parent contact"

Carly Clem, Board Chair

Claudette Herald, Superintendent
