Update/Review**

We have made initial contact with the event management at the Horse Park and are quickly planning the 2025 state meet for November 1. Just like in 2024, the Kentucky Horse Park is also hosting another large equine event on that day. In an effort to assist the parking ingress/egress, we will once again be starting the day with Class 3A and end the day with 1A. Solicitation for workers and officials will begin later this month.
