

DIRECT PLACEMENT AMONG AGENCIES

Supplemental Guideline: J-1 and F-1 Distinction

The CSJET Board of Directors has provided additional guidelines regarding the definition of the term direct placement:

J-1: A Direct Placement is one in which either the student or the sending organization in the foreign country is party to an arrangement with any other party, including school personnel, for the student to attend a particular school or live with a particular host family; however,

F-1: The term Direct Placement, in the context of the original J-1 definition, does not apply because federal regulation requires all international students to “apply and be accepted by an SEVP approved school” prior to applying for the F-1 visa. Therefore, in its continuing effort to facilitate the needs of its partners at state associations, CSJET asks that programs provide transparency and report to the NFHS any F-1 student for whom participation in interscholastic varsity athletics was a known motivating factor at the time of application.
