Dear Mr. Tackett,

Following the overwhelming success the 6th Region experienced with the Super-Regional format in Baseball and Softball, we would like to explore the opportunity to expand this initiative to include Soccer and Volleyball.

While I know we have our regional meeting at Valley next week, we will also have our Metro meeting on Wednesday, August 13 at Mercy. I would like to ensure this topic is on the agenda so that our members can discuss it in detail.

As a reminder, we conducted a vote last May after the Baseball and Softball Super-Regional, and the decision was unanimous in favor of applying this format to these additional sports. At this time, there is no plan to expand the format to Basketball—our focus remains on sports where schools face challenges in fielding teams.

Thank you for your time and consideration. I look forward to continuing this conversation.

Best regards,
