

The Kentucky Board of Education Vision

Each and every Kentucky learner will become an engaged citizen and empowered learner prepared to lead a life filled with purpose.

Kentucky Board of Education Mission

Improve the future of all Kentucky learners by providing leadership, advocating for resources, advancing policy, and cultivating community partnerships to ensure each and every student has equitable access to high-quality, lifelong learning.

Kentucky Board of Education 2025-2026 Goals

The Kentucky Board of Education is steadfast in its dedication to ensuring equal access, opportunities, and advancement for every student. We are committed to identifying and eliminating barriers that hinder learners, particularly those from historically underserved communities, enabling all Kentucky students to realize their full potential.

Goal 1: Foster Vibrant Student Learning Experiences

- **Support** educators to design and implement engaging, real-world, and content-rich learning experiences that inspire students to participate actively and apply their knowledge meaningfully.
- **Strengthen** the educator workforce through enhanced collaboration with the Education Professional Standards Board (EPSB) and Kentucky Council on Postsecondary Education (CPE). Prioritize the recruitment, retention, and diversification of the educator workforce to enrich the teaching and learning experience and the educational environment for all students.

Goal 2: Advance Educational Innovation and Excellence

- **Support** the development and implementation of an accountability system that values innovative teaching practices and vibrant learning environments.
- **Promote** continuous improvement through community-based accountability measures, ensuring that all students have equitable access to high-quality education.
- **Advance** statewide efforts to support educators in the implementation of high-quality literacy and numeracy instruction aligned with high quality literacy and numeracy instructional resources.

Kentucky Board of **EDUCATION**

- **Explore** opportunities for high school transformation across the Commonwealth aligned with workforce development.

Goal 3: Cultivate Collaborative Partnerships

- **Establish and sustain** strong partnerships with all education stakeholders, including families, policymakers, and community members, to:
 - Collaboratively enhance educational outcomes and support the holistic development of every student.
 - **Encourage and strengthen** statewide and local community support of professional educators.

Goal 4: Measurement and Reflection

- **Develop** measurability and reporting for each board goal, thereby reinforcing the board's accountability to its mission and established legislative priorities.
